

To: OUUSD Schoolboard:

13 July 2020

In response to the defeat of the OUUSD budget, we the undersigned Bradford and Newbury voters, propose the following as you craft a revised budget:

- The total budget is reduced by at least 1%.
- The budget reduction includes no salary increases for administrators within the OUUSD schools and OESU. While the budget impact may be small, the message is loud – Students First
- Because so many families within our two communities are suffering from food insecurity, the \$200,000 allocated towards implementing the Universal Free School Meals, Provision 2 program will remain in the budget.

If these revised budget requests are implemented, it is our intent to work vigorously for the approval of the revised budget.
