To Families with access to the OESU Student Meal Program

We are very pleased to have had the opportunity to be able to provide meals for our community's young children over the past several months of the COVID crisis. We have been able to produce over 1500 meals a day for children from the BMU, Thetford, Newbury, and Bradford school districts. While it has required many folks to work long hours to complete this monumental effort, the ultimate satisfaction comes from knowing a desperate need has been met.

Unfortunately, the last day of this distribution program will be Wednesday, August 12th or Thursday, August 13th based on regular schedule. We need time to clear out the kitchen and surrounding area required to prepare all of these meals and then be ready for the start of school. We encourage families to access the local food banks to assist with their family food needs until we start up on September 8th. We hope each of you are able to use the regular services in your community to help you out.

Best wishes for a healthy couple of weeks until school starts.

Yours truly,

Bruce Williams, Assistant Superintendent
