Policy

It is the policy of the Oxbow Unified Union School District to maintain an assessment system that continuously evaluates student learning and links curricular, professional development, and budgetary decisions directly to the need for increased student performance.

The goal of student assessment is to understand how students are performing in relation to local and state standards. Based on student assessment information, teachers, administrators and parents will work together to design and implement strategies to meet the needs of individual students as well as the district's overall goals for student achievement.
