**Message from the OUUSD School Board in regards to the December 23rd meeting:**

While we understand that that there is work to be done we are also keenly aware of the amount of work and stress that the teachers, principals and administration have been experiencing. With that in mind the OUUSD Board has decided not to have the meeting next Wednesday December 23rd. We would like to send our sincere appreciation to all the teachers, principals, administrators, parents and students that have been working so hard over the past few months. Please have a wonderful, restful and healthy holiday break!

We look forward to all the exciting work and positive events that will come in 2021!

Sincerely,
