Hello,

First of all, congratulations! I am sure it is exciting, but bittersweet. Thank you for the notice and thank you for your service to the district's children for 30 years!

Best, Emilie

Dear Emilie,

I would like to let you know now that I will not be returning to OESU Early Childhood Programs next fall. After 30 plus years with the district it is not an easy decision to make. I know that my position may be a difficult one to fill given that it requires specialized certification and is part time. I wanted to give the district plenty of time to fill the position. I officially submit my resignation effective at the end of the 20-21 school year.

Thank you for your leadership and support these past few years.
