

Dear Community Member,

"There is no power for change greater than a community discovering what it cares about." –Margaret Wheatley

Oxbow Union Unified School District (OUUSD), which includes schools in Bradford and Newbury, is embarking on a strategic planning process. We want to make sure that your voice is included, regardless of your current level of engagement. What is your impression of our local schools? What priorities would you like to see our school district pursue? If there was one outstanding thing we could do to excite you, what would it be? Your response will help us identify long- and short-term goals, consider how best to allocate resources, and finally, determine a course of action for the next 3-5 years. Input from the entire community will be instrumental in establishing a plan that is relevant to the district's future direction and priorities.

We ask that you please take a few minutes (15 or less) to respond to this survey: <https://www.surveymonkey.com/r/ouusd> (If your browser gives an error, please copy/paste the actual text into your browser window.)
