2021 Principal Search Candidates

Bernice Mills

Greetings Everyone,

I am excited to have the opportunity to meet with you on Thursday, March 25.

I have been in the education field for many years and have worn many hats. Currently, I am employed as a student services coordinator. Prior to that, I was a principal for 10 years. I enjoyed every aspect of being a principal and I look forward to returning to a school leadership role. My education background includes a B.S in human services and a B.Ed in curriculum, instruction, and assessment, and advanced graduate studies in school leadership. I live in Fairlee, with my husband Lance, our three dogs, and a cat. I have three grown sons, four stepchildren, and 8 grandchildren.
