To Whom It Concerns,

I regret to notify you that I will be resigning my position as an elementary educator at Newbury Elementary School effective at the end of the school year.

I appreciated the opportunity to play many different roles including a para educator, math interventionist, 5/6 classroom teacher, math coach, and an online math and science teacher at Newbury Elementary School over the last 10 years. I have enjoyed watching students discover and learn what they can do. I am leaving to pursue new personal growth and educational opportunities.

I will make myself available to help assist in any transition that administration feels is needed.

Sincerely,

A handwritten signature in black ink that reads "Walter F. Fischer". The signature is written in a cursive style with a large, prominent 'W' and 'F'.
