Dear Jean,

I've decided to retire at the end of this 20/21 school year. It's been a very rewarding career and I feel blessed to have worked with some incredibly talented educators along the way.

I've absolutely loved working with the kids. I chose this profession because I wanted to be a positive influence in their lives and help them develop self confidence with a curiosity and sense of wonder about the world. I hope I've succeeded.

Oxbow High School will always hold a special place in my heart. For 27 years it has been my second home, and it won't easily be forgotten. Many of my colleagues have become lifelong friends.

I hope the difficult challenges of Covid are behind us and the new year will feel like a refreshing new start. I wish you and the rest of the staff the very best and want to thank you again for your unwavering support this final year.

Sincerely,

Lisa Maus (Paganelli) Jones
