Dear Members of the Blue Mountain Union School Board

My name is Samuel Demers and I am a junior at the Blue Mountain Union School. I am writing to you to request a waiver of my remaining **.25 Physical Education credits** which I need in order to meet the required 26 credits to be eligible to graduate with my class in June of 2022.

For the 2021-2022 school year I have been accepted at Clarkson University for their Early College Program. I will be working with Mrs. Reeve and Dr. Barone to complete the requirements for the required .5 Senior Seminar credit starting this summer, and if needed throughout the fall semester. I will be taking a technology related course at Clarkson either next fall or next spring to fulfill the required .5 technology credit required by BMU.

Because of the number of SNHU and honors classes I am carrying this year and with participating in Clarkson's Early College Program I cannot fit the remaining PE credit/course into my schedule and I will not be at BMU next year and therefore cannot earn the needed PE credits through participation in a varsity sport.

Therefore, I am writing to you to ask for your consideration to waive my remaining PE credits. I will be more than happy to answer any questions and/or discuss this with the members of the board at a meeting at your earliest convenience. Thank you for your time and consideration on my behalf.

Sincerely,

Samuel Demers
BMU Class of 2022
