

Minutes of June 24, 2021 Strategic Plan Committee Meeting

Present: Timm Judas, Monique Priestley, Emilie Knisley, Carol Cottrell

The purpose of the meeting was to determine what survey result/trend will be addressed during the 2021-2022 school year.

The meeting's discussion centered around planning for the near future.

1. There needs to be time to write the Strategic Plan.
2. We need to acknowledge the contribution and engagement of the community.
3. Momentum needs to be maintained. Possible resistance should be acknowledged and addressed.
4. Principals should be given the opportunity to address individual school items as they see fit.
5. A timeline for the Strategic Plan Committee should be established with an eye toward budget considerations and OUUSD School Board planning.

Next steps:

1. There will be presentations to the public and the OUUSD District. Emilie will check calendar dates and in service agendas to determine dates.
2. Monique will continue as part of the Strategic Plan Committee and will create the graphics for the planned presentations. Emilie will assist.
3. The OUUSD School Board will charge the Committee.
4. Community forums will be planned to seek clarification from stakeholders. (Example: The survey indicates that the community wants quality teachers. What does that look like? How will we measure success?)

Next Meeting: July 27, 2021 at 12 noon via ZOOM.

Respectfully submitted,

Carol Cottrell
