

TES BOARD REPORT

July 20, 2021

Staff PD

I received the signed contract from Jessica Minahan, Author of the Behavior Code for the upcoming training. The ½ day training titled, “Children with anxiety-related and oppositional behavior” will take place virtually on August 20th. I will invite the paraprofessionals to join us.

New Hires

We have interviewed for a paraprofessional, and long-term music sub position. I am still checking references and in some cases I am waiting for the approval to hire.

ESSR 1 Funds

I received an email from Nicole Bell letting me know that TES had a remaining balance of \$51,760 in ESSR 1 to be used for a long-term sub. This is a one-year position only. I have advertised the position on SchoolSpring and I have interviewed one person thus far. Considering the fact that we do not have a clear picture of what this coming school year will look like I feel this extra person will benefit the school on a whole.

Building

I know that John Brown provides his own report but I wanted to give a shout out to the maintenance crew for all the work they are doing to prepare the building for our return. They are doing an amazing job!

Elmer Brown Dedication

The dedication for Elemer Brown was held outside the school on Tuesday, July 13. It was well attended. I personally enjoyed the singing.
