CONTRACT FOR POSITION COST-SHARING FOR EMPLOYEE KEVIN ANDERSON

This agreement is between Orange East Supervisory Union (OESU), Town of Thetford School District (TES), and Oxbow Unified Union School District (OUUSD).

The Computer Support Specialist will be Kevin Anderson, an employee of OESU. OESU will be responsible for all personnel matters and compliance with the merged agreement (where applicable).

It is anticipated that OESU, TES and OUUSD will complete this contract and that any cancellation would not be an unanticipated financial burden to the Districts.

These payments shall be made in quarterly installments for the 2021-2022 school year.

Effective July 1, 2021, TES agrees to purchase 0.20 FTE of the salary and benefits in the 2021-2022 school year of Computer Support Specialist services from OESU. The total cost is \$18,537.63 inclusive of health insurance/HRA, life and disability insurances, and any other benefits the employee elects.

Effective July 1, 2021, OUUSD agrees to purchase 0.80 FTE of the salary and benefits in the 2021-2022 school year of Computer Support Specialist services from OESU. The total cost is \$74,150.51 inclusive of health insurance/HRA, life and disability insurances, and any other benefits the employee elects.

Should Kevin Anderson elect additional benefits, the above amount could increase, and would be reflected in an addendum to this contract. Should he elect lesser benefits, the above amount could decrease, and would be reflected in an addendum to this contract.

Note that this agreement shall not set a precedent.
