

Hello Danielle,

Thank you for reaching out. I am still interested in the board position.

Little Background Information & Interest: Hello. My name is Hannah Leland and I live in the lovely town of Newbury, Vermont with my husband and daughter. We have lived in Newbury for over a decade and have been active in our daughter's education during the last eight, dedicating time to coaching, being a member of the Watch Them Grow board as well as volunteering at numerous events. Professionally, I have been in education for over twelve years in numerous roles including Teacher, Curriculum Coordinator, and most recently Administrator. I am very interested in becoming more involved in the local education system and most importantly, serving our students in the community as a member of the Board. I am hopeful my experience in education can lend to growth and progress for the Oxbow Unified Union School District, which continues to develop as a new unified district.

I hope this is what you are looking for.

Thank you,

Hannah
