Good morning Danielle -

I am interested in filling the current vacancy for a Newbury resident on the OUUSD School Board. My family lives in Newbury, and our Kindergartener and 5th grader attend Newbury Elementary School. Additionally, and for full disclosure, my wife Emily is the 5th and 6th grade literacy teacher at NES. I currently serve as a member of the OUUSD Budget-Finance committee, and plan to continue with this group whether or not I am appointed to the School Board. I am also the Treasurer for the Newbury Recreation Board, and coach several of the Soccer/Basketball/Baseball/Softball teams during the year. I enjoy my involvement with the Students, Teachers, School Admin, and School Board through these various activities, and would like to continue to increase it by serving our community on the School Board.

I feel very strongly that we need Current NES parental representation on the Board. I am often disappointed with the lack of involvement our parents have in the decisions made about our schools, and am motivated to find ways to increase their presence at meetings. We have two amazing Elementary Schools that feed into an awesome Middle/High-School - and I really want our communities to know all the great things happening at each location! I am also aware of the challenges that the School Board faces. Now that the OUUSD merger is finalized and we are several years into it, I am motivated to help continue the work to truly join our schools and move forward as one unified district. We are fortunate to live where we live, and to have the opportunity to send our students to these schools. I would welcome the opportunity to play a small part in the oversight of our district as a member of the OUUSD School Board.

Thank you for considering my application.

Sincerely,

Tim Ross

Hello Tim-

If you are still interested in the board position please send a brief email with a little background information and an explanation of why you would like to be on the board.

The board is meeting on 9/22/21 at NES and via zoom. The meeting starts at 5:30. The board will appoint the new member during the meeting but the new member will need to go to the town office and take/sign the oath of office before they can participate as a board member.

Please reach out if you have any questions.

Thank you-
