

BMU/NES Student Exchange Agreement

2016 -2017 Academic School Year

MEMO OF AGREEMENT

Introduction

The undersigned superintendents, having been duly authorized by their respective school boards, hereby enter into the following agreement to establish an exchange of students for the 2016 -2017 school year.

Purpose

It is the purpose of this agreement, to establish a public school choice/exchange program for two students. One student in kindergarten currently resides in the Blue Mountain Union district and wishes to attend school at the Newbury Elementary School. One student in grade 6 who resides in the Newbury School District would like to continue to attend the Blue Mountain Union School.

This is a one-year agreement, for the 2016 - 2017 school year. Transportation is the responsibility of the parents of the students and is not the responsibility of either school district. Should one student's status change (such as a move out of the school district), the other student's status shall not be affected and the student shall be able to remain at his/her school of choice for the remainder of the school year. There will be no changes once this agreement has been implemented.

Program Assessment

The exchange program shall be evaluated before the end of the school year by each superintendent with a follow-up report made to each school board.
