Kate,

I will forward this on the Board for their meeting on Wednesday. I can't imagine a time that I walk into the BMU Library and you are not there to greet me! Thank you for all of the years of service, and the wonderful atmosphere you have created in that library for all that enter, for all of the teas and shortbread, for the clubs and book talks, and for being a wonderful colleague. I hope that retirement will give you the chance to do all of the things you most enjoy.

Cheers,

Pursuant to Article XXI Section 1 of the Blue Mountain Teachers Agreement, I would like to request early retirement, to begin at the end of this contract year, on July 1, 2022. I qualify for *regular* retirement as of August 30, 2022, so I am not sure if this really qualifies as early or not, but thought it best to submit the request regardless.

Respectfully submitted,
Kate Davie

P.S. I understand your former geese are industriously occupied striking fear and loathing in the hearts of anyone wandering carelessly down Rake Factory Road. I hope they get the chance to enjoy the holiday season!
